The Funke Medical Academy

According to national and international legislation, all professional groups in the health sector are obliged to be trained regularly.

The E-Academy of the Funke Medical GmbH offers this necessary further education as online courses with certificates.

- You can use the Funke Medical Academy to train your own staff **for free**.
- All courses are up-to-date with the latest scientific findings and are constantly updated.
- All courses have been developed by **pedagogues** with a scientific background.
- The Funke Medical E-Academy is and remains **free of charge**.
